## Interested in Astronomy?

Our Society welcomes both beginner and advanced alike.

You don't need a telescope to join (telescopes are available for members to hire).

Our members have many skills and interests they would like to share with you.

### Activities and Benefits

Some of the activities and benefits members enjoy are :

- Discussion sessions prior to monthly meetings
- Hire of Society telescopes
- Library
- Purchases (eg fleecy jackets, binoculars, caps, beanies)
- Society web site : <http://www.mso.anu.edu.au/cas>
- Monthly journal which features news and articles of local, national and international interest
- "Deep Sky Nights" (*observing nights on rural properties away from the glare of city lights*)
- Team observations
- Providing viewing nights for the public, schools and organisations including scout/guide groups
- Viewing through the Society's 14" Meade telescope

**Web Site : <http://www.mso.anu.edu.au/cas>**

### Meetings

Meetings normally feature guest speakers and are also a forum where members tell of their latest work, discoveries and interests. and can gain information and advice.

In Canberra, meetings are held on the third Thursday of the month in the Duffield Building, Mt Stromlo.

A Discussion Session at 7.00 pm precedes the General meeting at 8.00 pm

Meetings are also held regularly by our South Coast Chapter
